SUSSEX RECORD SOCIETY.

Report presented at Annual Meeting, 10th February, 1915.

THE Council have the pleasure of presenting a Report of continued progress during the year 1914.

Volume XIX., for the year 1914, was issued, as promised, in the early summer. It consisted of references to Sussex Manors and Advowsons, &c., recorded in the Feet of Fines from Henry VIII. to William IV. by Mr. E. H. W. Dunkin, F.S.A. As announced last year, it was found necessary to divide the material into two parts. Last year's Volume contained references from A to L. The remaining portion of the references was at once proceeded with and is now so far completed that the issue of the Volume may be expected in a short time. The Society has once more to thank Mr. Dunkin for a most laborious and valuable contribution to the study of Sussex History. This second Volume will be numbered Volume XX. and will be issued to Members for 1915.

For the year 1916 Mr. Salzmann, F.S.A., is preparing a Volume of Sussex Fines in continuation of his former Volumes from the same records. They will cover the period from Edward II. to Henry VII., inclusive.

The publication of Parish Registers, as Extra Volumes, is being continued. The Registers of Horsham Parish, edited by Mr. R. Garraway Rice, F.S.A., which it was hoped might have been finished last year, are now almost ready for early issue. This will be numbered Volume XXI.

Mr. Percy S. Godman has been editing the Registers of Cowfold Parish. The MS. is already in the hands of the Printers and the Volume should be ready for issue in the summer.

Our financial Balance Sheet is quite satisfactory. The attention of Members is invited to the fact that a large proportion of the receipts is due to liberal, and in many cases very generous, donations from a few individual Members over and above their Annual Subscriptions. If these gifts are mainly (though not entirely) prompted by special interest in Local Publications, on the other hand Members are reminded that they all alike share in the result. An occasional extra donation towards the cost of Parish Registers would greatly help the work.

The Members of the Council offer themselves for re-election.

Obituary.

E. H. W. DUNKIN, Esq., F.S.A.

By the death of the above-named gentleman on the 10th February 1915, at his residence, Rosewyn, 70 Herne Hill, S.E., a few days after completing his 66th year, the Society loses one of its original founders, and a most generous and constant contributor to its Proceedings, of which no less than 6 volumes out of 20 are from his pen, viz., 4 volumes of Marriage Licences at Lewes and Chichester down to 1731, and the present work. Up to the time of his death he was engaged on the Index to this, and had completed the first 16 pages of proof sheets, and written out and arranged the remainder ready for the press as far as "Stanmer" in the names of places. The rest of the Index was in slip form, and the completion of it was undertaken by the writer, who had known and esteemed him for between 30 and 40 years.

Edwin Hadlow Wise Dunkin was the only child of Edwin Dunkin, Esq., F.R.S., of the Royal Observatory, Greenwich, by Maria, eldest daughter of S. J. Hadlow, Esq., of the Stock Exchange, and was born at Greenwich on the 4th February 1849. In 1857 he was sent to the Greenwich Proprietary School, then in a very prosperous condition and numbering upwards of 250 boys. Here he won the Silver Medal for English Language and Literature before leaving in 1864. From 1864 to 1867 he was at the City of London School, where he obtained the Edkins Memorial Prize for Mathematics. It was then intended that he should have gone to Cambridge University, but the delicate state of his health, aggravated by a nervous and anxious temperament, prevented this being carried out.

In 1868 he went to Cornwall with a view to exploring and obtaining details of the numerous antiquities in that county, and afterwards wrote some short papers, which appeared in "Notes and Queries," "The Builder," and "The Leisure Hour," on Ancient Stone Crosses of Cornwall, and Hill Castles of Cornwall. About this time also he published "The Monumental Brasses of Cornwall," and other works relating to the county.

In 1875 he joined the Sussex Archæological Society, to whose collections he contributed many admirable papers, and, having worked assiduously for between 30 and 40 years at the records relating to the county, he had amassed a most valuable and extensive collection.

In 1892 the late Mr. Dunkin married his second-cousin, Mary Mercedes, younger daughter of the late Richard Hockin Sincock of Chili, and niece of the late Donald Bain, J.P. for Somerset, and of the late David Wise Bain, J.P. for Cornwall. His wife survives him. They had no children. His country residence was The Heath, Fairlight, Sussex, where he took a great interest in gardening.

He was elected a Fellow of the Society of Antiquaries in 1902, and in 1910 Vice-President of this Society.
